STRONG POWER — STRONG PERFORMANCE

PFC100 Controller

WE INNOVATE!

WAGO®

SMALLER JUST GOT STRONGER

Newest Member of the PFC Family

Item No. 750-8100

Item No. 750-8101

EXTREMELY COMPACT AND MAINTENANCE-FREE DESIGN SAVES SPACE AND MONEY

## COST-EFFECTIVE CONFIGURATION VIA *e!COCKPIT* ENGINEERING SOFTWARE

PFC100 Controller

The all-new PFC100 joins WAGO's next-generation of *e!RUNTIME*-programmable controllers. WAGO's PFC100 Controller boasts an extremely space-saving design paired with high-performance processing and memory capabilities.

Carefully engineered, WAGO's ultra-compact PFC100 joins its market-leading sibling, the PFC200, in blending the best of two software worlds into one device: Linux® and CODESYS.

When combined with *e!COCKPIT*, PFC100 is the ideal platform for advanced and intuitive CODESYS 3-based engineering.

The controller has an integrated Webserver, allowing visualization in HTML5 format. Comprehensive security features, including SSL/TLS, SSH, VPN and firewall, make the PFC100 the complete package.
